

**CLAIMS:**

What is claimed is:

1. A game of chance to be played in conjunction with sport contests, the game comprising:  
a plurality of pre-printed game cards each marked with a common plurality of sport contests scheduled within a designated time period;  
each of said game cards individually marked with a unique set of predicted final statistics  
5 corresponding to said plurality of sport contests;  
determining actual final statistics of said sport contests; and  
awarding a prize corresponding to a game card if at least one predicted final statistic marked on that game card for a sport contest is identical to the actual final statistic of said sport contest.
2. The game according to claim 1, wherein the final statistic is the combined score.
3. The game according to claim 1, wherein the prize increases with the number of final statistics on any one card that match the actual final statistics of said sport contests.
4. The game according to claim 1, wherein the sport contests are American football games.
